

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. **NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, visit www.dc16trustfund.org or call 1-800-922-9902. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. You can view the Glossary at www.dol.gov/ebsa/healthreform or call 1-800-922-9902 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall deductible?	APPO <u>providers</u> : \$0 Non-APPO <u>providers</u> : \$500/individual, \$1,000/family	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your deductible?	Yes. Chiropractic services, mental health and chemical dependency services through Beat It!, outpatient <u>prescription drugs</u> , and emergency room facility charges.	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/
Are there other deductibles for specific services?	Yes. Depending on the dental option you choose, you may have a <u>deductible</u> for dental services under a separate <u>plan</u> . There are no other specific <u>deductibles</u> .	You must pay all of the costs for these services up to the specific <u>deductible</u> amount before the dental <u>plan</u> begins to pay for these services.
What is the out-of-pocket limit for this plan?	Medical <u>plan</u> APPO <u>providers</u> : \$3,500/individual, \$7,000/family Outpatient <u>Prescription Drugs</u> (in-network): \$3,100/individual, \$6,200/family	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the out-of-pocket limit?	Medical APPO <u>Out-of-Pocket Limit</u> does not include: <u>Premiums</u> , <u>balance-billing</u> charges, charges exceeding the reference-based price, charges from Non-APPO <u>providers</u> (except <u>emergency services</u> for <u>emergency medical condition</u>), penalties for failure to obtain <u>preauthorization</u> , <u>prescription drug</u> costs, dental and vision expenses, and health care this <u>plan</u> doesn't cover. <u>Prescription Drug Out-of-Pocket Limit</u> does not include: <u>Premiums</u> , <u>balance-billing</u> charges, <u>out-of-network</u> <u>prescription drugs</u> , Non-formulary drugs (unless exception approved), medical, dental and vision expenses.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .

Important Questions	Answers	Why This Matters:
Will you pay less if you use a <u>network provider</u> ?	Yes. See www.anthem.com/ca or call the Trust Fund Office at 1-800-922-9902 for a list of APPO <u>providers</u> . For a list of Anthem Blue Card <u>providers</u> outside of California see www.bluecares.com or call 1-800-810-2583. For mental health and chemical dependency benefits, contact Beat It! at 1-800-828-3939.	You pay the least if you use a <u>provider</u> in the APPO network. You pay more if you use a <u>provider</u> in the PPO network that is not an APPO <u>provider</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No. However, <u>preauthorization</u> from Care Counseling is required to receive the highest level of benefits. Please call Care Counseling at 1-800-999-1999 for more information.	You can see the <u>specialist</u> you choose without a <u>referral</u> .

 All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.

About these Coverage Examples:

This is not a cost estimator. Treatments shown are just examples of how this plan might cover medical care. Your actual costs will be different depending on the actual care you receive, the prices your providers charge, and many other factors. Focus on the cost sharing amounts (deductibles, copayments and coinsurance) and excluded services under the plan. Use this information to compare the portion of costs you might pay under different health plans. Please note these coverage examples are based on self-only coverage.
